INDEX TO TROPICAL AGRICULTURE

Index to Volume XII—January to December, 1935.

Nos.	Months.	Pages.
1	January	1-28
2	February	29-52
3	March	53-80
4	April	81-108
5	May	109-136
6	June	137-168
7	July	169-200
8	August	201-228
9	September	229-252
10	October	253-280
11	November	281-308
12	December	309-340

College News Bulletin.

June, December 8

GENERAL INDEX.

A.

Pages.

Agricultural Labour in Trinidad, 3-9, 43-47, 56-64, 84-88, 126-131, 153-157, 187-192
Agricultural Research in East Africa .. 204
Agriculture, Contributions of Botany to Tropical 201-04
Agriculture in Nigeria 284-86
Agriculture in the Northern Sudan, Types of 235-39
Agriculture, Nematodes and 109-10
Agriculture, Rubber and 64
Agriculture, Russian 234
Appendix of Regulations to the Plant Quarantine Station, Trinidad, B.W.I. .. *opp.* 25
Are First Year Characters Maintained in Cane Seedlings ? 96-99
Avocado Pears, The Storage of 132-33

B.

Bahamas, Notes on Biological Control of Insect Pests in the 78
Bermuda Tomatoes, Packing 22
Biological Control of Insect Pests in the Bahamas, Notes on 78
Biological Control of the Sugar-cane Moth Borer in the Leeward Islands, The .. 89-96
" Biological " Manures 34-35
Botanical Conference, Imperial 55

B.—*Continued.*

Pages.

Botanical Researches on Cacao, The .. 171-74
Botany to Tropical Agriculture, Contributions of 201-04
Breaking of Rice in Milling in Relation to the Condition of the Paddy 255-61
British Honduras, Forestry in 70
Budded Citrus Plants in St. Lucia, Production of 23-24
Bursate Nematodes of Domestic Animals, On the Control of the Free-living Larvae of 111-13

C.

Cacao *see* Cocoa
Cane *see* Sugar
Cane Seedlings ? Are First Year Characters Maintained in 96-99
Canning of Grapefruit, The 268
Cassava Mosaic in Southern Nigeria, A Probable Vector of 215
Chemical and Ecological Researches on Cacao, The 175-78
Chemical Composition of Grasses and Legumes 76
Chemical Notes 27, 51, 77-8, 107, 134, 166, 199, 226, 250, 277, 307, 338
Chemical Problems in Crop Production .. 81-83

C.—*Continued.*

PAGES.

Citrus Fruits, Colouring of 73
Citrus Fruit-rots in Trinidad 145-52
Citrus in Trinidad, II, Gummosis of .. 36-42
Citrus Plants in St. Lucia, Production of Budded 23-24
Citrus Root Studies in Trinidad .. 278
Cocoa-beetle and Cocoa-thrips, Notes on .. 22
Cocoa in 1934 110
Cocoa Industry, Ecuador's 220
Cocoa Industry, the Gold Coast 311-12
